Are you ready to reopen your business?

We are here to help you!

## COVID-19 RESPONSE TEAM

We offer Pre and Post Virus Cleaning/Spray Disinfecting for all businesses. Due to the COVID-19, we offer our professional services. Our cleaners are trained to sanitize & disinfect hard surfaces and common key areas.

By using our EPA Approved Products, we can make these areas safe for you and your employees. EnvirokleenUSA offers disinfectants, hand sanitizers, and facemasks for your business.

We want to help you prepare for reopening as soon as possible once the COVID-19 circumstances have been lifted. Email us at [sales@envirokleenusa.com](mailto:sales@envirokleenusa.com) or call at [\(909\)947-6611](tel:(909)947-6611) to schedule an appointment.
